Personal Banking Services

The friendliest and most helpful bank in town.

What does banking with MidSouth mean?

For over 100 years, MidSouth Bank has embraced a helpful brand of banking from which we have never wavered: responsive service focused on valued relationships with our customers. So when you walk in our doors or call us for help, you can expect to be treated like family. Because that’s what you deserve.

People you can trust.

Knowledge you can depend on.

Innovations to make life easier.

We believe banking should be easy and convenient. Here you will discover a bank large enough to offer comprehensive financial solutions and tools, yet small enough to make your financial goals our highest priority.

MidSouth Bank is committed to your financial success—because that’s how we measure our own success. That commitment means we’re here to help you make money and save money. Your needs may change over the years, but we’ll always be here. Because when we make a promise, we keep it.

OUR PROMISE  
To always treat you like family,  
with respect and honesty.

**Dormant Account Service Charge** A checking account is considered dormant if there has been no deposit to or withdrawal from the account for a period of twelve (12) months. A savings account is considered dormant if there has been no deposit to or withdrawal from the account for a period of twenty-four (24) months. All regular service charges apply to dormant accounts. Accounts which are considered dormant will be service charged an additional \$10 per statement cycle in addition to the routine service charge applicable to your particular account. This charge is applicable to all Checking and Savings accounts. **Interest Rate and Annual Percentage Yield** At our discretion, our interest rate and annual percentage yield may change at any time. You must maintain the minimum balance stated for your account each day to obtain the annual percentage yield listed under "Current Rate Information." Interest begins to accrue no later than the business day on which we receive credit for non-cash items (for example, checks). The daily balance method is used to calculate the interest on your account and the amount of interest you earn is based on the daily collected balance. The daily balance method applies a daily periodic rate to the full amount of principal in the account each day. **Special Insurance Program Notes** The descriptions herein are summaries only. They do not include all terms, conditions and exclusions of the policies described. Please refer to the actual policies for complete details of coverage and exclusions. Insurance is offered through the company named on the certificate of insurance. Insurance product is not insured by FDIC or any Federal Government Agency; not a deposit of or guaranteed by the bank or any bank affiliate.
